AVAILABLE AT THE OFFICE FOR **\$10**

School and House
captain badges
will be presented
at assembly
TOMORROW.

We would like to acknowledge the Traditional Owners of the lands and waters on which we gather, the Gunditjmara People, and pay respect to elders past, present and future. We would like to share our gratitude that we get to live, learn and play on this beautiful Country.

Student Leaders 2023

We are super excited to be working with some amazing young people this year who make up our leadership group for 2023:

School Captains: Kadence McQualter and Jacob McKenzie

Vice Captains: Matilda Litchfield and Evie Fry

Red House Captains: Danielle Masters and Curtis Rowbottom

Green House: Laylah Robertson and Molly Hinch

Blue House: Amelia Stach and Zarli Overall

Yellow House: Ava Robertson and Charlee Monk

Students will be receiving their badges at our assembly tomorrow at 2:50 – we would love to see you!

Welcome BBQ

Thank you to all of the parents, guardians, friends, students and staff for attending our welcome BBQ on Monday night. It was a fantastic opportunity to build on connections with each other and strengthen our Bundarra community. We love it when parents and guardians can visit our school, help with morning reading and attend our assemblies. Your presence at Bundarra PS is so valued.

Hands On Learning Program

We have been so excited to begin our Hands On Learning (HOL) program this year. Students in our 5/6 area applied to be a part of this program last year and we are proud to announce the following students have been successful: **Danielle Masters, Molly Hinch, Kooper Overall, Jacob McKenzie, Ellie Anderson, Alegrah Field, Charlie Cordova, Hudson Sherwell, Curtis Rowbottom** and **Richard Walker**.

2023 Annual Implementation Plan

Our 2023 Annual Implementation Plan (AIP) has two main focuses on Learning and Wellbeing.

Our major focus this year in learning is developing a numeracy instructional model where students can investigate challenging problems in maths, develop and build their co-operative skills and stamina to engage and solve these tasks and to articulate their learning.

Our major focus for Wellbeing is to develop students' wellbeing literacy. Develop strategies for self-regulation, identify when they can enact student voice in their learning and wellbeing and for our senior students, to contribute to improving our school through our SRC.

SRC

Miss Skye will be organising applications for our 2023 SRC groups of Wellbeing, Environment and Fundraising. We are encouraging all of our Grade 5/6 students to apply for these roles as we know what a difference they can make to our school, and it is a great forum for them to have their voice heard. If you have a 5 or 6 student, please take the time to discuss joining our SRC as we would love to have all of our wonderful senior students involved.

School Council

Next week I will be calling for nominations for parents to be involved in our 2023 school council. This is a great opportunity for you to understand how our school runs in more detail and support our school to continually improve. Just as we know the importance student voice has in education, the same goes for parent voice and this will be a wonderful opportunity for you to contribute to our amazing school. This year we are looking to fill three positions. If you would like any more information or to discuss it further, please make a time to come in for a chat.

Communication

At Bundarra we know how important it is to have open communication with parents and guardians in order for your children to succeed in their education. If you have concerns at any time about your child, your first point of contact is their classroom teacher. If you would like to discuss something small, before and after school are a great time to catch up with their teacher. However, if you believe you may need more time, simply make an appointment with them. If there are any ongoing concerns, please make a time to see me to have a discussion.

Annual Privacy Reminder

Our school collects, uses, discloses and stores student and parent personal information for standard school functions or where permitted by law, as stated in the Schools' Privacy Policy.

Please take time to read our privacy collection notice, found in this newsletter. If you would like to discuss our policy further, please contact the office.

Privacy Collection Notice

Information for students, parents and carers

The Department of Education (the department) values your privacy and is committed to protecting the personal and health information that schools collect.

All school staff must comply with Victorian privacy law and the [Schools' Privacy Policy](#). This notice explains how the department, including Victorian government schools (schools), handles personal and health information. On occasion, specific consent will be sought for the collection and use of information, for example, for a student to receive a health service. Our schools are also required by legislation, such as the *Education and Training Reform Act 2006*, to collect some of this information.

Throughout this notice, 'staff' includes principals, teachers, student support service officers, youth workers, social workers, nurses and any other allied health practitioners, and all other employees, contractors, volunteers and service providers of the school and the department.

On enrolment, and during the ordinary course of a student's attendance at a school, schools will collect information about students and their families for the following purposes:

- educating students
- supporting students' social and emotional wellbeing, and health
- fulfilling legal obligations, including duty of care, anti-discrimination law and occupational health and safety law
- communicating and engaging with parents
- student administration
- school management
- supporting policy in relation to student education and wellbeing.

If this information is not collected, schools may be unable to provide optimal education or support to students or fulfil legal obligations.

For example, our schools rely on parents to provide **health information** about any medical condition or disability that their child has, medication their child may take while at school, any known allergies and contact details of their child's doctor. If parents do not provide all relevant health information, this may put their child's health at risk.

Our schools also require current, relevant information about all **parents and carers** so that schools can take account of safety concerns that affect their children. Parents should provide schools with copies of all current parenting plans and court orders about or that affect their children and provide updated copies when they change.

When parents enrol their child in primary school, they will be asked to provide personal and health information in several ways, including via the Enrolment Form, the [School Entrance Health Questionnaire](#) (SEHQ) and the [Early Childhood Intervention Service](#) (ECIS) Transition Form.

The **Enrolment Form** is used to collect information that is essential for the purposes listed above, and requests information such as:

- **Emergency contacts** – Individuals parents nominate for a school to contact during an emergency. Parents should ensure that their nominated emergency contact agrees to their contact details being provided to the school and that they understand their details may be disclosed by the department if lawful, e.g. in the case of emergency communications relating to bush fires or floods.
- **Student background information** – Information about country of birth, Aboriginal or Torres Strait Islander origin, language spoken at home and parent occupation. This information

department to allocate appropriate resources to schools. The department also uses this information to plan for future educational needs in Victoria and shares some information with the Commonwealth government to monitor, plan and allocate resources.

- **Immunisation status** – This assists schools to manage health risks and legal obligations. The department may also provide this information to the Department of Health and Department of Families, Fairness and Housing to assess immunisation rates in Victoria, but not in a way which identifies students.
- **Visa status** – This is required to process a student's enrolment.

All schools may use departmental systems and online tools such as apps and other software to effectively collect and manage information about students and families for the purposes listed above.

When schools use these online tools, they take steps to ensure that student information is secure. If parents or carers have any concerns about the use of these online tools, please contact the school.

School staff will only share student and family information with other school staff who need to know to enable them to educate or support the student as described above. Information will only be shared outside the school (and outside the department) as required or authorised by law, including where sharing is required to meet duty of care, anti-discrimination, occupational health and safety, and child wellbeing and safety obligations. The information collected will not be disclosed beyond the school and department without parent consent unless such disclosure is lawful.

When a student transfers to another school (including Catholic, independent and interstate), personal and/or health information about that student may be transferred to the next school. Transferring this information is in the best interests of the student and assists the next school to provide the best possible education and support to the student. For further detail about how and what level of information is provided to the next school, refer to the: [Enrolment: Student transfers between schools](#)

Schools only provide school reports and ordinary school communications to students, parents, carers or others who have a legal right to that information. Requests for access to other student information or by others must be made by lodging a [Freedom of Information](#) (FOI) application. To update student or family information, parents should contact their school.

For more information about how schools and the department collect and manage personal and health information, or how to access personal and health information held by a school about you or your child, refer to the: [Schools' Privacy Policy](#)

For more school policies follow this link [Bundarra Primary School – City of Portland \(bundarraps.vic.edu.au\)](http://bundarra.vic.edu.au)

Hockey Clinic

Today we had a Hockey Clinic which was lots of fun. Huge thanks to Jeb and Gabby from Hockey Victoria who ran these clinics. Maybe we have some future hockey stars among us!

TYRENDARRA AGRICULTURAL SHOW

**Lots of Fun for all the
Family**

This Saturday the 11th of February

<http://www.tyrendarraagriculturalshow.com.au/>

Some Bundarra classes have artwork entered at the show.
Check with your child so you don't miss out!

District Swimming 2023

We wish **Billy Pridham** the best of luck for next Wednesday, as he represents Bundarra Primary School at this year's District Primary School Swimming event. We know you will give it your best

**Please let the office know if your order is a present.
Also we get 15% to spend off every order.**

It's the main way we get new resources for our library

DON'T FORGET!

SCHOLASTIC
Book Club
orders are due:

17th February

<https://mybookclubs.scholastic.com.au/Parent/Login.aspx>

Mobile Phones

Bundarra Primary School, as per Department of Education, has a ban on all mobile phones at school. It is advised that all students leave their mobile phones at home.

If students feel they need their phones with them at school they must leave it at the front office for the entire day (including recess & lunch).

Any student found with a mobile phone during school hours will have it taken off them. It will be stored at the office until the end of the day when a Parent must collect it on their behalf

We thank all parents & students for their support in this matter.
