MUSIC: Ava Baker

Be Your Best Self!

SUPER STUDENTS

Amelia Stach

Amelia has had a fantastic start to 2022. She is always willing to help other students in the classroom and in the playground. She always tries hard to do her work in class and collaborates with others in small group and whole class learning. She is inclusive with the new members in our class and is ready to work with the SRC in making our school a better place. Amelia is a valued member of our classroom and a great friend to have.

Tyla Sharp

Tyla is a very hard-working member of 45T. He is popular with his classmates and always tries his hardest in all subjects. Tyla is a great role model for the five values of our Be Your Best Self program and he always comes to school with a positive attitude and ready to learn spirit. He is integrous during Gym time games and always has a kind word for other students. You really deserve to be the Super Student Tyla and we are so happy that you are a part of our class. Well done.

45T

Teach the Teacher Program

This week our school captains and vice captains attended a leadership program titled 'Teach the Teacher.' Students will be leading a project that will enable us to understand our student perspectives about what they believe is effective in our school and propose addition strategies to maximise engagement. This project supports 'Student Voice', which is such an important part of education.

AT HOME READING

Now that we have been at school for a few weeks, we are getting right into the nitty gritty of learning new and wonderful things. You play an integral role in this, and one of those ways is reading with your child at home. Here are some of the benefits you can give your child when reading with them:

- Helps your child to get to know sounds, words and language.
- Sparks your child's imagination and stimulate curiosity.
- Helps develop your child's brain.
- Improves ability to focus.
- Helps you child to concentrate.
- Improves their social and communication skills.

So, as you can see reading at home with your child has so many benefits that is much more than reading!

Foundation Full Week

This coming week will be the first week that our foundation students will be at school for 5 days. We are looking forward to having them for the whole week and hope they get lots of sleep and rest!

Student Intervention Team

Our student intervention team, **Marg Donald, Carolyn Silva and Judy Holden**, will be starting their reading intervention groups next week. We are so lucky to have such highly skilled teachers who can make a real difference to our student's growth in reading. If your child has been selected to be on this program, you will be getting a call sometime this week.

School Council Nominations

WE WANT YOU!!!

Our school council nomination process is open!

If you are considering joining our amazing team to help guide our school forward or know someone who can, please make sure to come and fill out a nomination form from the office. We also understand that it can be hard to attend meetings in the evening so there will be an option to join our meetings virtually via webex.

MASKS

Requirements for masks are changing but not in primary schools. Students from 3-6 still need to wear masks to school. We all know how important it is to wear masks and how it protects us from the spread of covid-19. However, we are running very low on masks at school as we are supplying them to many students on a daily basis. It would really help us if students could bring their own masks to school instead of grabbing one from the office each day.

Portland Secondary College

Creating the Opportunities

Information Night

Monday 7th March

Family information session commencing at 6pm in the Junior Wing Building.

Open Day & Scholarship Testing

Friday 18th March

Current Grade 6 students are invited to spend the day at PSC. Students interested in applying for scholarships are invited to remain at school for testing (for a 4.30 pick up).

Academic, Arts, Community Involvement/Sporting & Leadership Scholarships will be available for Year 7 students in 2023.

Junior School

Showcase

Monday 9th May

Current and perspective families are invited to join us at the Junior School Showcase as we celebrate exceptional Year 7 & 8 student & faculty work that has taken place over term 1. Community members are encouraged to attend.

For more information about the exciting opportunities at Portland Secondary College or to book an alternative tour or scholarship time please phone Sally Dunstan on 5523 1344.

Please register for our Open Day and Scholarship Testing here:

Does your child require glasses?

Does your child have Asthma?

Does your child have an allergy?

A reminder to all families to please update the school on any medical conditions as they may change.

Students who have Asthma or have Allergy/Anaphylaxis must provide a Medical plan from their doctors annually. All plans are due now - please forward to the office as soon as possible.

FINANCIAL ASSISTANCE

INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

CAMPS, SPORTS & EXCURSIONS

FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

\$125 for primary school students

\$225 for secondary school students

MORE INFORMATION

For more information about CSEF visit:

<https://www.education.vic.gov.au/about/programs/Pages/csef.aspx>

HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from the website below.

If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- **new student enrolments;** your child has started or changed schools this year.
- **changed family circumstances;** such as a change of custody, change of name, concession card number, or new siblings commencing this year.

October 2019

Am I at risk?

1 in 7 women in Victoria will develop
breast cancer in their lifetime.

Most women with breast
cancer **do not** have a
family history of the disease.

Age is the biggest
risk factor for developing
breast cancer.

What is a breast screen?

A breast screen (mammogram) is an X-ray
picture of the breast. Breast screens can find
cancers that are too small to see or feel.
More women survive breast cancer today
thanks to early detection and better
treatments.

Do I need a breast screen?

Early detection saves lives.

Aged 50-74?
You should be screened every two years.

In your 40s or over 75?
Talk to your doctor to find out if breast
screening is right for you.

Under 40?
Breast screens are not effective for women
under 40 years.

Breast screening

 is **free**.

 takes about **10 minutes**.

 doesn't need a **doctor's referral**.

 is provided by **female
radiographers**.

 is available at a clinic near
you **throughout Victoria**.

Be breast aware

- Get to know the normal look and feel
of your breasts. See your doctor if
you notice any unusual changes.
- Ask your doctor about your risk
of breast cancer and the need for
screening.
