Be Your Best Self!

Bundarra Primary School Athletics 2022

I would like to firstly congratulate all students who participated at our School Athletics event on Tuesday. It was absolutely amazing to see so many students dressed in their House Colours. I was blown away by the support, encouragement and enthusiasm students displayed towards each other on the day, which enabled everyone to feel supported to give their Best Effort! This was modelled exceptionally well by our amazing House Leaders, who spoke superbly to their House members. I would also like to congratulate students of Bundarra for their respectful behaviours throughout the day. I know the staff at Bundarra were grateful for this!

Secondly, I would like to thank the staff at Bundarra, for their ongoing commitment to this school and for making our 2022 Bundarra Athletics a successful day once again. Without your effort and commitment to events such as this, we simply cannot hold these valued events, so I thank you for your support on Tuesday!

I would also like to thank our Parents/ Guardians and wider Bundarra community for your support on the day. We thank those people who were able to give up their time on the day, to not only help at specific Athletic events, but for also making the day even more special for those loved ones. I know that the students of Bundarra appreciated your encouragement and support on the day.

Lastly, I would like to extend my congratulations to those students who have now qualified for District Athletics, which is being held this coming Tuesday 5th April. This is a reward for your Effort and Commitment throughout your Athletics day. Well Done!

Thank you once again for making our Athletics Day a success once again!

Cheers,

Mr. O

* SUPER STUDENTS

Mitchell Hazell

Mitchell - Marvelous, majestic and magnificent! Mitchell has been an absolute delightful addition to our classroom who has fitted in right from the start! He is caring, thoughtful, kind and is the greatest helper! He is always wanting to lend a hand with just about anything! Mitchell just loves school and shares multiple times a day just how much he loves his class and how much he loves his learning! Thank you for bringing such joy into the class and we hope that your enthusiasm stays around till to infinity and beyond!

Willow Saunders

Willow - Warm hearted, wonderful and worthy! Willow has always presented herself as a great asset to the classroom. She not only comes to school with a beautiful smile on her face, but she comes in super excited to read. Willow just loves to read and her author's skills have just flourished this year. She has written an AMAZING and creative narrative all by herself! Willow, you are truly talented! Never stop writing!

23L

* SUPER STUDENTS

MUSIC SUPER STUDENT

Kaylee Johnstone

Kaylee Johnstone is our Music Super Student for this term! She always participates with enthusiasm and a smile on her face. Kaylee loves singing and dancing and helps others during group work activities. Kaylee's positive attitude is always present and she completes all her Music work to an exceptionally high standard. Congratulations Kaylee and keep up the great work!

STEM SUPER STUDENT

Phoebe Rawson

Phoebe's cautious and sensible approach make her the perfect candidate for our STEM Super Student. During STEM investigations, she collaborates well with others and ensures each group participant has a role to play. Phoebe will often be seen quietly encouraging her group, and sharing her creative ideas. Her science testing is conducted systematically and safely, and she puts a lot of thought into interpreting results.

Phoebe takes any digital challenge in her stride and is happy to help others with their understanding. She is modest about her achievements in the digital space, but if you have any questions about block or python coding, and Minecraft, Phoebe's the one to ask!

Phoebe sets her standards high in STEM, and I can't wait to see what more she has to offer!

BUNDARRA PRIMARY SCHOOL
