### **Enrolment week**

This week is enrolment week and I have already had many school tours and received enrolments for 2023 Foundation students. School tours are one of my favourite things to do because I get to see the amazing work our teachers and student are doing. Last week I saw a Foundation class learning about bigger and smaller numbers using the hungry crocodile, 1/2 students were doing a formal mindfulness activity using the Smiling Minds Program, 2/3 students were about to begin a lesson on collaboration, 5/6 Students were doing a brain exercise by completing a Wordle and learning about Sorry Day.

### **Touring Performing Artist**

Next Tuesday we are going to have a Touring Performance Artist coming to our school. The performance is titled *Ardna*. *Ardna*, is a new performance work exploring themes of home, identity and connection to land. The creators of the show are Palestinian artist Aseel Tayah, and Indigenous artist Jason Timaru, and they're bringing a diverse range of cultural perspectives to the show and highlighting the similarities between cultural traditions. There will be no cost for families at attend this event.

### **Reconciliation Community Lunch**

Tomorrow our house captains and school and vice captains will be attending the community lunch by representing our school in the celebration of reconciliation week. Students will observe a Welcome to Country, smoking ceremony, work in small groups completing fun activities and will even have a lunch provided. We know the school leaders will engage in the day using our Be your best Self values.

### **Attitude to School Survey**

Every year, students in grades 4 – 6 complete an attitudes to school survey to measure their learning and wellbeing in and outside of school. We value student voice, and this is a way we can improve our engagement and instructions by finding out what these children think of our school. We will get the results later in the year and from these we can set goals for future education priorities at Bundarra Primary School.

### **Professional Practice Day**

Next Friday, Bundarra Primary School will be having their professional practice day. On this day, teachers choose to engage in activities that improve their teacher capacity. This will be a student free day,

### **Winter Series**

Well done to all of our grades 3-6 students who braved the cold and participated in Winter Series. I was so impressed by the amazing sportsmanship all of our students showed to each other and the other schools that participated. A big thank you to Mr O and the classroom teachers who took the events – Mrs Munday, Mr Ross, Miss Bailey and Mr Potter.

## NEWS

### District Winter Series

Congratulations to those students who represented Bundarra Primary School at this year's Winter Series Sports Day yesterday. Students represented our school superbly once again, demonstrating key values of teamwork, respect and fabulous sportsmanship throughout the day. I was extremely proud of all students who took on the challenge within their chosen sport, as for some students, this was their first time competing in this sport. All sporting teams achieved some success throughout the day, but more importantly, enjoyed the day immensely. I would like to take this opportunity to thank all of our parents and friends and wider school community for their help and support throughout the day. I would also like to thank Mrs. Shelton, Mrs. Munday, Mr. Potter and Ms Bailey for their efforts coaching one of the Winter Series Sports for the day. To Tigrha, Larissa, Tiarna, Abbey-Lynn and Macauly, Bundarra thanks you for your support in taking on an official umpiring role for the day!

Lastly, to the Bundarra Bulls, thank you for making this year's football event another joy to be apart of. Your teamwork and sportsmanship were amazing as always and I could not question your effort or intensity at the contest. It was just an amazing team to be apart of, as everyone felt so included and supported by their peers throughout the day! Well done Bulls!

Cheers, Mr. O
