Be Your Best Self!

* SUPER STUDENTS

Daelyn Pirika

Daelyn has dazzled everyone in 12W this year! Daelyn has worked hard on developing his knowledge of sounds to help him say the sounds and read the word. Daring Daelyn is determined to set himself up for success by writing along the line and never forgetting to use his spaceman. Daelyn does a double decent job when working with Mrs Donald and his reading group always returning with a delighted face! Keep dreaming big Daelyn!

Alyssa Robertson

Awesome Alyssa has adapted to Bundarra in an amazing way! Alyssa is always respectful and not only looks after 12W's classroom but classmates as well. We all admire Alyssa's handwriting and along with some amusing ideas, Alyssa is potentially a future author! Alyssa is never afraid to ask for help and is always organised, keeping her table tub spotless. We are all the better for having Alyssa among us in 12W!

On Thursday 23rd June we will be holding student-led conferences. Families can arrive 10 minutes before their appointment and pick up their child/ren's mid-year reports before attending the conference. Students will be taking the lead and showing you the wonderful learning that has taken place this year. Keep an eye out for the time allocation form where you choose a time in either the first, middle or last part of the day.

Communication

Thank you to the families who have communicating with the school via email or phone to let us know about any positive covid cases in the household. It seems to be becoming more prevalent at the moment and ask you to continue to monitor for symptoms and RAT test. If you require more RAT's please let us know and we can supply you with a packet.

Swimming

45T, 56M & 56A have been having lots of fun at their swimming lessons on Wednesdays this term. This week our students were focusing on what it's like to swim in the waves at the beach. Each student was given a kick-board and stood in line while one student at a time tried to swim through it. They also practised their water safety with safe entries and safe rescues from the side of the pool. Each group then proceeded to practice a different skill such as treading water in the deep end, diving for aquatic toys and the third group was practising their freestyle swimming style.

WHAT'S BEEN HAPPENING AT O.S.H.C?

Hello Families!

I hope everyone is excited for a well-deserved break over the Winter Holidays. I wanted to share a little bit about who we are.

At Big Child Care we believe in creating an environment where children feel safe, confident and secure in who they are as individuals. The activities we create are through the thoughts, interests and suggestions from your children. Each activity has a different skill focus or learning outcome to expand children knowledge.

With Holidays approaching fast we wanted as many new families as we can find to come and attend our beautiful Centre in Heywood. Get your enrolment form in today to secure a spot of fun!

This is the place for all Children!
