* SUPER STUDENTS

Hayden Pryor-Hollis

Hayden - Helpful, hard working and happy! Hayden is a super student because every day he comes into the classroom happy to be there and ready to learn! He is an inquisitive learner and takes on new challenges with ease. He is friendly towards his peers and is always eager to help around the classroom! He gets along with everyone, works hard at his school work and can be very proud of his achievements this semester! He is a wonderful example of our school values, as he shows resilience and inclusiveness every single day! We look forward to seeing you continue to flourish into the young man you have become!

Adele Anderson

Adele - Attentive, artistic, and adaptive! Adele is a super student because she is an incredible hard worker. She persists with difficult tasks and the results show. She never gives up and always puts in her best effort! She is a great friend towards her peers and shows inclusiveness towards everyone. She is just the happiest when she arrives at school in the morning, and gets stuck into her reading right away! We are very proud of you and how you have grown and you can be very proud of your self for setting and achieving your own goals! You have worked so hard and definitely deserve this award! Well done, Adele!

* SUPER STUDENTS

Jacob McKenzie

Jacob is this term's STEM Super Student. He is interested in each and every aspect of STEM (Science, Technology, Engineering and Mathematics) and is an avid contributor in every lesson. We love the enthusiasm and positivity Jacob brings to each class. He is keen to share his ideas about digital citizenship, the impact of technology on our lives, and how it connects us. He uses his knowledge and experience to help others to also learn. Jacob can always be trusted to participate in investigations safely, and his team always appreciates his expertise. This was shown recently when he helped his team fly a drone in STEM. Jacob, we know that digital technology is not without its faults, but that's why it's great having you here to help remedy issues when they arise (and to give Mrs Wombwell Minecraft tips!).

Fantastic work, Jacob!

Student Led Conferences

Thank you to all families that came along to witness the amazing learning their children have been doing this year. This is a great time to celebrate the hard work your children have put into their learning this year, despite the challenging circumstances of illness and absences. I would also like to take this time to thank the amazing staff who have worked extremely hard this semester in the education of literacy, numeracy, indigenous language, history week, geography week and social and emotional wellbeing to your children.

Policy 1: BPS Child Safety Code of Conduct

The purpose of this policy is to outline the objectives of promoting child safety in the school environment and set standards in the ways school staff are expected to behaviour with students, Please see this policy attached to the newsletter and if you have any feedback, please call me (Mrs Shelton) on 55234122

Holidays

I would like to take this opportunity to wish you all a great school holiday and hope you all stay warm, healthy and get to spend some quality time with your friends and family. While we await for the outcome of the Principal selection process, I will be taking long service leave for the first 2 weeks of Term 3 and Judy Holden will be in the Acting Principal role for this time.

What's happening in term 3....

This term has been jammed packed full of fun, engaging activities and there are some things we can look forward to in term 3. On **Thursday 14th July** we will be holding a NAIDOC event which will include smoking ceremony, football/netball games and a BBQ, which has been driven by our wellbeing environment team of the SRC. On **27th July – 28th July** we will have a visiting art therapist in the school working with some of our grade 5 and 6 students. On **Monday 15th August – Thursday 18th August** our grade 5 and 6 students will be going on school camp to Sunnystones. Our school council is also looking into holding a trivia night as a fundraiser so watch this space to find out more about this!

WHAT'S BEEN HAPPENING AT O.S.H.C?

Hello Families!

I hope everyone is excited for a well-deserved break over the Winter Holidays. I wanted to share a little bit about who we are.

At Big Child Care we believe in creating an environment where children feel safe, confident and secure in who they are as individuals. The activities we create are through the thoughts, interests and suggestions from your children. Each activity has a different skill focus or learning outcome to expand children knowledge.

With Holidays approaching fast we wanted as many new families as we can find to come and attend our beautiful Centre in Heywood. Get your enrolment form in today to secure a spot of fun!

This is the place for all children!
Chloe and the team.

- Reminders:**
- Please make sure you sign in and out on the tablet at the sign in table.
 - Limited spots for Holiday Care. We don't want anyone missing out!
 - For enrolment forms contact Chloe and get your child in for the fun!
 - **Reminder**, we do have a non-communication fee that can be applied any time when we are not notified of changes to your bookings; Like picking your child directly from school or if you drop them off without booking them in

HOLIDAY CARE

HOLIDAY CARE - TERM 2

Make sure your Child/ren get in on all the fun!

We have our Winter School Holiday Program coming up very fast and we very excited to be doing this again! We all had so much fun last Holidays.

We have some awesome activities planned for each day so don't miss out on a spot for fun.

Contact Chloe on 0484 110 304 to secure a spot.

Have a look at the photos of what we did last Holidays. Musical chairs, egg painting, ninja masks, obstacle course and load more!
