Attitude to School Survey

Every year our students in Grade's 4, 5 and 6 participate in the Attitude to School Survey. Students are asked questions about their teachers, how they see themselves as learner, how they are engaged at school, how safe they feel at school, their social and emotional wellbeing and their physical and mental health. This information gives us an opportunity to see what we can improve on as we believe listening to our student voice is important. There is more information attached to this newsletter if you want to know more.

*Please note that this is an Opt Out survey which means if you do not want your child to participate, please email the school at Bundarra.ps@education.vic.gov.au by Monday 8th May.

Your Voice Matters

As a part of our school review, it is extremely important that we receive your opinion on Bundarra Primary School where you can voice your opinion of what we do well and what we can continue to work on. You will receive a Skoolbag notification where we would like you to answer 3 questions about our school. Please take the time to respond to these as your opinion is important to us.

District Cross Country

District cross country will be held next Thursday 11th May. We will be looking at students recorded times instead of their placement to see if students qualify for the next level. Students who have qualified will have more information sent home informing parents of what will be happening on the day.

School Uniform

Wearing a school uniform creates a culture of togetherness by feeling they belong to a certain place. It also improves students' connections to the school and each other by seeing everyone as equal. I have been noticing that some of our students have not been wearing our school uniform, especially when it comes to jumpers. However, it is important that their jumper is a part of our school uniform. If your child is not wearing school uniform, you will be receiving a letter from their class teacher informing you of this. Please know that we have second hand school uniforms in the first aid room that you are welcome to take if you need it. If you do not have clean school uniforms at home and are sending your child to school in casual clothes, please send a letter to give to the class teacher notifying them of this.
