We would like to acknowledge the Traditional Owners of the lands and waters on which we gather, the Gunditjmara People, and pay respect to elders past and present. We would like to share our gratitude that we get to live, learn and play on this beautiful Country.

* SUPER STUDENTS

Amelia Stach

Amazing Amelia is an awesome role model for everyone at Bundarra to look up to! Amelia takes pride in her schoolwork, in particular her accomplished writing where her stories appeal to all kinds of audiences. Any aspiring leaders should look to Amelia and the way she conducts herself during school sporting events where we can hear an abundance of encouraging words in her role as house captain. We appreciate all that Amelia does for her friends and the Bundarra school community!

Kyan Taylor

Kyan has become a confident and creative member of 56W this term. Kyan is regularly contributing during class discussions and has thrived during our focus on historical conflicts during History week, sharing his clever background knowledge. Kyan continues to put his hand up and volunteer for things like helping at the bike track or completing someone's job if they are away. I hope that Kyan carries on his cheerful and considerate ways for the rest of the year!

Michaela Murrell

Kayla is cool, calm and collected when it comes to her attitude this term. Kayla is a caring and compassionate member of 56W, always looking out for others and completing kinds acts to match. Kayla is very capable when it comes to her maths, confidently completing problem solving activities as well as assessment tasks. Kayla never forgets her manners and puts her best foot forward each day, we are proud of the potential leader we have in 56W this year!

56W

Ngata from Mrs Shelton....

Walk to School Day

Tomorrow is national walk to school day. Walking to school is a great way for students (and parents) to be physically active, improve your health and is a great way to start the day. To highlight this day, Bundarra Primary School will be having a 'walking school bus.' If students and parents would like to join the bus, we will meet at the corner of Edgar Street and Cape Nelson Road at 8:30am. As we walk down Edgar Street, students can join us as we walk past their streets.

Winter Series

It is great to see so many of our Grade's 3, 4, 5 and 6 students putting their hand up to compete in this years Winter Series. The sports that we will be having are soccer, football, T-ball and mixed net-ball. Being active is such an important part of being healthy and it is great to see so many of our students taking the opportunity to do this.

Professional Practice Day

Next Thursday our school will be having their professional practice day. This means that students are not required at school. Our teachers will be using this day to visit other schools in the Portland area to observe their maths lessons to get a greater understanding of maths instructional models.

New Playground Instillation

We are very excited to have some new playgrounds installed at Bundarra next week. As a part of the Active School's grant, we got to make our bike track and purchase our bikes, we also have 'ninja style' play equipment to add. We hope this will be another opportunity our students can be active and keep healthy.

Statement of values and School Philosophy

Bundarra Primary School's mission is Bundarra Primary School is focused on providing a rich, supportive and nurturing environment that enhances learning, personal growth and wellbeing for all students; creates a collaborative and stimulating culture that supports continuous learning for all staff and informs and involves and embraces our community. Please find our attached policy outlining our School's expectations of how students, staff and our parent community can show these school values that are very important to Bundarra PS.

Student Wellbeing and Engagement Policy

The Wellbeing and engagement of our students is extremely important to us. Bundarra Primary School is committed to providing a safe, secure and stimulating learning environment for all students. We understand that students reach their full potential only when they are happy, healthy and safe, and that a positive school culture, where student participation is encouraged and valued, helps to engage students and support them in their learning. Our school acknowledges that student wellbeing and student learning outcomes are closely linked. Please read the attached policy and we welcome any feedback.

Child Safety Reporting Obligations

The purpose of this policy is to outline the procedures our school has in place to respond to complaints or concerns relating to child abuse and to ensure that all staff and members of our school community understand and follow the various legal obligations that apply to the reporting of child abuse to relevant authorities. Please read the following policy to familiarise yourself with our processes and mandatory obligations.

Primary school aged children across Victoria will make those important steps towards a healthier future by participating in National Walk Safely to School Day on Friday 19 May 2023. Please save the date. This May will mark the 24th anniversary of National Walk Safely to School Day. Championed by the Pedestrian Council Australia, the initiative aims to raise awareness of the health, road safety, transport and environmental benefits that regular walking, or alternative active transport (especially to and from school) can provide for the long-term well-being of our children, not just on 19 May, but every day. Apart from the physical benefits, regular walking (or similar) also has a favourable impact on children's cognitive and academic performance.

Walk Safely to School Day also encourages positive environmental action, better use of public transport with reduced car-dependency and encourages parents and carers to walk more, reducing dangerous traffic congestion around schools. Harold Scruby, Chairman and CEO of the Pedestrian Council of Australia said that "until they are 10, children must always hold the hand of an adult when crossing the road". The national initiative also promotes healthy eating and encourages schools and P&Cs to Host a Healthy Breakfast on the day. "The extremely disturbing childhood obesity epidemic continues to affect 1 in 4* children at critical levels across Australia." "The best exercise for all Australians is walking regularly. Children need at least 60 minutes of physical activity a day. We should encourage them to take a walk before school, during and at end of their day," Harold Scruby said. Being active every day, including walking to school, can help make a difference for many Australians. Whether you're a parent, teacher, or carer - everyone has a role to play in helping children and young people to lead active healthy lives. *ABS: National Health Survey: First Results, 2017-18

Promoting mental fitness in your child

Parent and carer webinar

Webinar: Promoting mental fitness in your child

Date/Time: Wednesday 24th May 2023 at 12:00pm AEST

Registration link: https://us06web.zoom.us/webinar/register/WN_cTbtO-zCTI6m-sTfunBPiA

Parents and carers from our Victorian partner schools are invited to join this informative webinar presented by a Smiling Mind psychologist.

This session will uncover common issues children face with their mental fitness including navigating friendships, emotional regulation and learning how to confidently take on more responsibility, with research and evidence to support parents and carers to confidently respond.

audiri FAQ

Why is SkoolBag updating to Audiri?

We're transitioning to Audiri for a number of reasons:

- As a product we're focussing on communications – rebranding the app to Audiri reflects its heritage as a communication product
- We're upgrading our technology platform to include new features and integrations, and will continue to do so in the future.
- All improvements are focussed on streamlining the parent experience with your school – bringing everything together into one place, and reducing the number of apps and communication channels a parent will need to monitor to know what's happening at school

When is the update expected to be released?

We will be releasing the updated app in the GooglePlay and AppStore from 1 May.

What do parents have to do to upgrade to Audiri?

Parents will simply need to update their Skoolbag app – just open the app store on your device, go to the updates tab in the App Store, or the My apps & games tab in the Google Play store and select the update button. Simple!

**Learning and play
makes us hungry.**

**Please ensure your
child has enough
food for their day at
school.**
