Rylan has shown a natural aptitude for Mathematics and is able to competently read, write, and order 4-digit numbers. Rylan is a model student who demonstrates excellent behaviour and manners. He sets an example for his peers by consistently displaying courtesy, respect, and consideration for others. He is always mindful of his actions and is quick to offer assistance or support to those in need. Rylan you are a super student and we are incredibly lucky to have you in F1M!

School Photos

A reminder that we have school photos tomorrow. Orders will need to be submitted by 3:30 today. Our photos will begin at 9:00 sharp so please make sure your child is at school before 9:00 and in full school uniform. Grade 6's are encouraged to wear their Grade 6 t-shirts.

3/4 Camp

Next week our 3/4 students will be going on 3/4 camp to an adventure camp near Dunkeld. The staff that are attending are Mrs Lindelle Wombwell, Ms Carolyn Silva, Miss Erin Bailey, Mr Nicolas Oats, Shaun Spencer, Chris Dingemans and Helena Simpson. Students will leave on Monday 19th June and need to be at school no later than 8:30 for a 9:00 departure time. Students will return on Wednesday 21st June. Thursday 22nd June will be a rest day at home where they will have a camp booklet to complete.

School Reports

This year, your reports will be looking a little bit different to previous years. We have taken on feedback about our reports being too long so this year we are trialling something different. This year you will read:

- All of the content that was taught to your child/ren this semester.
- A paragraph outlining how your child has gone at school.
- Highlights of what your child has achieved.
- Future Goals.
- Student comment.
- Attendance comment.

If your child has not made growth in a particular area this semester, your child's teacher will give you call to discuss this. Reports will be sent home on Friday 23rd June.

Attendance

Over the last few weeks, I have emphasised the importance of students being at school. Moving into next semester, we will be monitoring school attendance, and if your child is beginning to miss too much school, we will be contacting you to come in for a meeting to see how we can support you so we can increase your child's attendance rates. In meantime – here are a few tips for you.

Top attendance tips for parents

- Bundarra PS wants to work in partnership with parents – act early if you have any concerns by contacting us and asking for advice and support.
- Remember that every day counts.
- There is no safe number of days for missing school – each day a student misses puts them behind and can affect their educational outcomes and their social connectedness.
- Talk positively about school and the importance of attending every day.
- Open and prompt communication with Bundarra about all absences is a good idea.
- Avoid making routine medical and dental appointments during the school day or planning family holidays during the term. If you are planning a holiday during term, make sure to come and see me or your child's teacher.
- Seek help from Bundarra PS if you are concerned about your child's attendance and wellbeing. We want to work in partnership with parents to support student attendance and wellbeing.

Acceptable Reason: Being sick, medical appointment, bereavement, religious and cultural observation and sorry business. Extended family holiday is an acceptable form of absence, however it requires my approval. For this reason, it is important if you are going on an extended holiday that you make an appointment with me.

Unacceptable Reason: Birthday, sick or unwell family member, tired from the weekend, family visiting from out of town, stayed up late the night before and refusing to come to school.
