every Monday &
Wednesday.
\$1 each

We would like to acknowledge the Traditional Owners of the lands and waters on which we gather, the Gunditjmara People, and pay respect to elders past and present. We would like to share our gratitude that we get to live, learn and play on this beautiful Country.

Attitude to School Survey

We have our campus results for our attitude to school survey that our Grades 4, 5 and 6 students completed last term. This is a fantastic piece of evidence that we can use to see what's working well in our school and where we need to concentrate our efforts on more. I wanted to share with you some good stories that we can read from our results:

All Students:

- 96% of students believe their teacher expects them to do their best.
- 94% of our students believe teachers expect students to pay attention and listen in class and that teachers set clear rules for classroom behaviour.
- 94% of students believe that you think going to school is important. (100% of Grade 4's and 100% of all female students!)
- 90% of students believe they have friends at this school and that the teacher makes sure all students feel included.

Grade 4's

- 100% of Grade 4 students think their teacher believes that they can do well at school.
- 93% of Grade 4 students think there is a teacher or another adult that cares about them.
- 93% of Grade 4 students think it's OK to be different at this school.

Grade 5's

- 94% of Grade 5 students think teachers expects nothing but their full attention.
- 94% of Grade 5 students know when their feelings are making it hard for them to focus.
- 100% of Grade 5 students believe their teachers think they can do their best.

Grade 6's

- 100% of Grade 6 female students think their teachers help them to do their best.
- 100% of Grade 6 female students think their teacher gives extra help when students need it.
- 89% of Grade 6 male students think their life is excellent.

New bell times

We have been getting some great feedback from the students that they are really enjoying going straight out to play at 11:00 instead of after they have had their snack. Some students have found it hard having to wait another half an hour for their snack so feel free to pack 2 rounds of sandwiches that students can eat at their fruit break. We will not only limit fruit to be eaten at this time, as long as it is something healthy. (Not packets of chips, fruit roll ups, sweet biscuits etc)

Swimming

Swimming has begun for our students this term today! Every Thursday all classes will be swimming at the YMCA. The times for each class are the following if you would like to come and watch your child/ren swim:

56M: 11:00 – 11:45

56W: 11:45 – 12:30

F1M: 12:30 – 1:15

23B: 1:15 – 2:00

34A: 2:00 – 2:45

No Helmet – No Bike or Scooter - Reminder

Students who ride or scoot to school without a helmet will not be permitted to ride or scoot home. We will place students' bikes and scooters in a secure place overnight until either the students return with a helmet, or it is picked up by parents. Our duty of care is that all our students follow the legal requirement to wear a helmet.
