# \* SUPER STUDENTS

**Evie Fry**

Evie is a very deserving Super Student. She has had an incredible year so far in Grade 6 and has really started to show her amazing talents as a quiet, yet inspirational leader. She is very supportive of those around her, always looking out for her friends. Evie embodies the 5 values of our Be Your Best Self program, she is kind and inclusive, she works well with others, has a positive mindset to all school activities and values honesty and integrity. We are so proud that Evie is a part of 56M and we know that she has an amazing and bright future ahead of her! Congratulations Evie!!!

**Alegrah Field**

Alegrah has had an excellent start to Grade 5 and has worked really hard in class activities. She is kind and inclusive and strives to do her best at all times. Alegrah has a positive mindset, especially during Maths tasks, and if the activities are sometimes a little challenging, she doesn't give up! Although a quiet achiever, Alegrah is becoming more confident in our class and it is pleasing to see her continue to develop her strengths. We cannot wait to see her continue to flourish for the remainder of her senior years at Bundarra PS. Keep aiming high Alegrah!!

**Zain Makevits**

Zain has had an incredible start to Grade 5. He is a positive role model in our classroom displaying all of the be your best self values at all times. He is kind and inclusive, supportive and encouraging, confident and persistent. Zain is well liked by his peers and is recognised by his classmates as being a student of integrity both inside and outside the classroom. He is to be commended on the exceptional start he has had and we cannot wait to see what amazing things he will accomplish during his senior years! Well done Zain!!

### **Parent Opinion Survey**

At Bundarra, we really appreciate hearing from our school community, and we know it's important that your voice is heard. You will receive an email asking you to take part in a parent opinion survey and I encourage you to complete this survey. It is important for us to know what we are doing well and what areas we can improve on so we can give you and your child the best educational experience.

### **Music Festival**

Another event coming up this month is the Portland and District Music Festival. I have been very impressed with the amount of our 5 and 6 students who have joined the music group, in fact we have over half of them which is fantastic! I haven't seen a sneak peak of their performance yet, however I have seen our Hands On Learning students getting some props ready. This year our school will be performing on **Wednesday 23<sup>rd</sup> August**. Tickets are available for participating student families at the office for \$10 each, and we have a limit of 2 per family.

### **Book Day**

We are getting very excited as our 2023 Book Day is getting closer and closer. The theme for Book day this year is 'Read, Grow, Inspire.' Reading and storytelling with children promotes brain development and imagination, develops language and emotions and strengthen relationships. This year our Book Day will be on **Friday 25<sup>th</sup> August**. If there are any families who may need support with costumes, please let us know and we may be able to help you out.

### **No Helmet – No Bike or Scooter - Reminder**

Students who ride or scoot to school without a helmet will not be permitted to ride or scoot home. We will place students' bikes and scooters in a secure place overnight until either the students return with a helmet, or it is picked up by parents. Our duty of care is that all our students follow the legal requirement to wear a helmet.

# Book Day 2023

We are celebrating Book Day on Friday 25th August. We would love you to get involved by dressing up as your favourite book character on the day!

Don't have a costume? No worries, see the great lending initiative below.

## New Costume Lending Library initiative

**Inclusive Access:** The initiative aims to provide equal opportunities for all families in the community to participate in book week events, regardless of financial resources. The Costume Lending Library eliminates the embarrassment some children may feel about not having a costume, ensuring everyone can fully immerse themselves in the characters and stories they love.

**Collaborative Partnership:** United Way Glenelg partnered with Portland Aluminium and collaborated with students from Portland Bay School to acquire a collection of top-notch, long-lasting costumes and accessories. The students actively participated in the costume selection process, making thoughtful choices to cater to a wide range of individuals.

**Community Impact:** The Costume Lending Library will be housed at Glenelg Libraries and shared across each Glenelg Library location, including Heywood and Casterton, to reach rural remote children. The initiative aims to bring the community together by promoting children's participation in book week events. Through various promotional channels like welfare coordinators, media releases, radio advertising, and social media posts, United Way Glenelg aims to make a significant impact on the lives of children and families in the community, fostering inclusivity and engagement.

The Costume Lending Library is open to all residents who are library members, providing them with the opportunity to borrow costumes.

Our Hands on Learning team have been keeping busy baking super delicious cupcakes and building fences among other things!

## Carrot cupcakes with maple frosting

### Ingredients

#### Carrot cupcakes with maple frosting

- 1/2 cup (125ml) vegetable oil
- 3 eggs
- 1 1/2 cup (225g) self-raising flour
- 1 cup (220g) firmly packed light brown sugar
- 2 teaspoon mixed spice
- 2 cup (480g) firmly packed coarsely grated carrot

#### Maple frosting

- 30 gram (1 ounce) butter, softened
- 80 gram (2½ ounces) cream cheese, softened
- 2 tablespoon pure maple syrup
- 1 1/4 cup (200g) icing (confectioners") sugar

### Method

#### Carrot cupcakes with maple frosting

Preheat oven to 180°C/350°F. Line 16 holes of two 12-hole (½-cup/80ml) muffin pans with ½ paper cases.

Stir oil, eggs, sifted flour, sugar and spice in medium bowl until combined. Stir in carrot. Divide mixture into paper cases.

Bake cakes about 30 minutes. Stand cakes in pan 5 minutes before turning, top-side up, onto wire rack to cool.

Meanwhile, to make maple frosting, beat butter, cream cheese and syrup in small bowl with electric mixer until light and fluffy; gradually beat in sifted icing sugar until frosting is spreadable.

Spread frosting over cupcakes.
