Monday & Wednesday.**
\$1 each

We would like to acknowledge the Traditional Owners of the lands and waters on which we gather, the Gunditjmara People, and pay respect to elders past and present. We would like to share our gratitude that we get to live, learn and play on this beautiful Country.

Ngata from Mrs Shelton....

Goodbye...Good Luck...and We Will Miss You!

Next week will be Miss Marie's last week at Bundarra PS. Miss Marie has been successful in obtaining a position at Portland Secondary College working in a disability inclusion role. Miss Marie has been a wonderful ES for many years and is a tremendous support to students, staff and parents. We will miss you and wish you all the best in the new endeavour in education.

Science Week!

Next week is Science Week where students get to learn all about the wonderful world around us. Our students will be learning about the following topics:

Foundation/1: Chemical Science – What Things Are Made Of?

Grade 2/3 B & 3/4A: Chemical Science – Changes of State

Grades 5/6M and 5/6W: The Solar System

We will be having another open afternoon next Friday 18th August from 2:15 – 2:40. At 2:40 we will have assembly, where we will get our first look at the songs our music festival group will be performing at the Civic Hall the following week. We love seeing you in our school and encourage you all to come along if you can make it.

Parent Opinion Survey

You would have received your email to take part in the Parent Opinion Survey. We would really appreciate you time in completing this survey as I value your voice and opinion. For those parents who have already completed it, it is muchly appreciated. As of this morning we have 10% of our parents who have completed it.

Music Festival

Coming up this month is the Portland and District Music Festival. I have been very impressed with the amount of our Grade 5 and 6 students who have joined the music group, in fact we have over half of them which is fantastic! I haven't seen a sneak peak of their performance yet, however I have seen our Hands On Learning students getting some props ready. This year our school will be performing on **Wednesday 23rd August**. Tickets are available at the office for \$10 each and we have a limit of 2 per family.

Book Day

We are getting very excited as our 2023 Book Day is getting closer and closer. The theme for Book Day this year is 'Read, Grow, Inspire.' Reading and story-telling with children promotes brain development and imagination, develops language and emotions and strengthen relationships. This year our Book Day will be on **Friday 25th August**. If there are any families who may need support with costumes, please let us know and we may be able to help you out.

Book Day 2023

We are celebrating Book Day on Friday 25th August. We would love you to get involved by dressing up as your favourite book character on the day!

Don't have a costume? No worries, see the great lending initiative below.

New Costume Lending Library initiative

Inclusive Access: The initiative aims to provide equal opportunities for all families in the community to participate in book week events, regardless of financial resources. The Costume Lending Library eliminates the embarrassment some children may feel about not having a costume, ensuring everyone can fully immerse themselves in the characters and stories they love.

Collaborative Partnership: United Way Glenelg partnered with Portland Aluminium and collaborated with students from Portland Bay School to acquire a collection of top-notch, long-lasting costumes and accessories. The students actively participated in the costume selection process, making thoughtful choices to cater to a wide range of individuals.

Community Impact: The Costume Lending Library will be housed at Glenelg Libraries and shared across each Glenelg Library location, including Heywood and Casterton, to reach rural remote children. The initiative aims to bring the community together by promoting children's participation in book week events. Through various promotional channels like welfare coordinators, media releases, radio advertising, and social media posts, United Way Glenelg aims to make a significant impact on the lives of children and families in the community, fostering inclusivity and engagement.

The Costume Lending Library is open to all residents who are library members, providing them with the opportunity to borrow costumes.

SKILLS CLINIC
