We would like to acknowledge the Traditional Owners of the lands and waters on which we gather, the Gunditjmara People, and pay respect to elders past and present. We would like to share our gratitude that we get to live, learn and play on this beautiful Country.

* SUPER STUDENTS

Maddi McQualter

Maddi is a curious learner who tackles new challenges with a positive attitude. She has impeccable manners and always remembers to say please, thank you and excuse me. Maddi is a kind and caring student who is a friend to all at Bundarra Primary School but she makes a special effort to ensure that no-one feels left out and to help those who are sad or hurt. She enjoys having a laugh and helps make our class a fun place to be. Maddi you're a valued member of F1M and a very deserving super student!

Mitchell Hinch

Mitchell demonstrates a great sense of pride in his work and consistently strives to achieve his absolute best. He is not afraid to ask for help when he needs it and displays a positive attitude towards new challenges. Mitchell is a caring student who shows empathy, compassion and respect towards the feelings of others. He is cautious to ensure that no-one feels left out and endeavours to help those who are sad or hurt. Congratulations Mitchell you are a very deserving super student and we are very lucky to have you in F1M!

F1M

Ngata from Mrs Shelton....

Goodbye Mrs Travers

Next week will be Mrs Travers last week at Bundarra Primary School. Mrs Travers will be retiring after nearly 10 years of amazing work at our school. Mrs Travers has been a fantastic support to so many students in that time and she has attributed to a lot of those successes. Mrs Travers also recently became a Nana this year and I know she will be looking forward to the next exciting part of her life. Thank you for all you have done for our school, and we will miss you tremendously.

Dental Visit

Next Monday we will have the dental van visit our school. If you returned your note to Emma Spencer at the start of the term, your child/ren will be able to access this fantastic service that is free!

Student-led Conferences

Next Thursday will be our student-led conference day where your child/ren will get to share with you the amazing work they have done this year and to show you their achievements. You will receive your allocated time this week—please check your child's bag.

District basketball – Boys Team

Today some of our Grade 5 and 6 boys participated in a district basketball tournament. Depending on the day, you will normally find our students playing soccer or running up and down the courts playing basketball. Even last week we had a junior/ middle and senior basketball game both happening at the same time on the same court – it was quite amazing to see. Our team this year consists of Ben Twomey, Hamish Blake, Kendall Walter-Saunders, Curtis Rowbottom, Hudson Sherwell and Kaidyn Kotze. Good luck boys – I know you will represent our school with integrity, kindness, collaboration, inclusivity and positivity.

Junior Football Clinic

Tomorrow our junior students in F/1M and 23B will be participating in a junior football clinic. I know our senior and middle students get many opportunities to be involved in many sporting events so it's great that we can provide our younger students in some sporting opportunities.

\$3 each. Order forms will be sent home
with students early next week.

**SHOW
YOUR TRUE
COLOURS!**

In science we have been learning about Kinetic energy and Potential energy. We learnt that you can't lose energy or gain energy because everything has a certain amount of energy. Potential energy is when something has the potential to move. Kinetic energy is when something is moving. Potential energy is transformed into Kinetic energy when it starts moving. To understand both energies more we built a ping pong ball run and that was really fun. Earlier we did a science experiment about the two energies but we failed. Science is really fun.

KIDS SHOWS WITH MARTIN HEPPELL
TOURING VICTORIA SEPTEMBER 2023

THE
RESILIENCE
PROJECT

3 HAPPY TRICKS

TICKETS AT [LIVENATION.COM.AU](https://www.livenation.com.au) **LIVE NATION**

A school holiday kids show combining fun and positive mental health!

The countdown is on for the Term 3 school holidays, and we know you're always on the lookout for engaging, educational events to share with your school community.

Designed for primary school aged children and their parents/carers, these one-of-a-kind shows combine fun and positive wellbeing strategies to help families build resilience.

There are tickets available in Frankston, Wodonga, Wangaratta, Dandenong, Darebin, Ballarat, Geelong, Bendigo and Shepparton, and we'd love to see your students there.

Bookings essential, please contact the Portland Maritime Discovery Centre on 1800 035 567 for program bookings.

IMPORTANT THINGS TO NOTE

- Activities are FREE and materials are supplied where required.
- Our school holiday sessions are very popular and usually book out. If you can no longer attend please call to cancel so another child or young person may enjoy.
- Parents and carers must remain with children under the age of 12 during all sessions.

WEEK ONE:

MARINE EXPLORERS

PORTLAND MARITIME DISCOVERY CENTRE

Museum guides will take you on an adventure of discovery, exploring the unseen world just beneath the surface of our unique South West waters.

Be prepared to use all your senses and powers of deduction with our mystery boxes, try out scientific equipment and meet some real-life inhabitants of the sea!

This exciting session will encourage curiosity about the marine environment as well as inspiring you to act as caretakers for this wonderful ecosystem.

DATES:

TIME:

Saturday 16 September 10:30am - 11:30am
Saturday 23 September 10:30am - 11:30am
