\$1 each

We would like to acknowledge the Traditional Owners of the lands and waters on which we gather, the Gunditjmara People, and pay respect to elders past and present. We would like to share our gratitude that we get to live, learn and play on this beautiful Country.

Ngata from Mrs Shelton....

Somers camp 2.0

We have been so lucky to have the opportunity to send a second group of 5/6 students to Somers Camp this year. Our lucky campers will be heading off next Tuesday 17th October and they will return on Wednesday 25th October. Erin Bailey will also be attending Somers Camp as a visiting teacher. We are lucky to have Mrs Mac teaching 23B in Miss Bailey's absence. We wish **Chase DeBono, Billy Pridham, Curtis Rowbottom, Robert Walker, Chase Saunders-Smith, Kooper Overall, Amelia Stach, Michaela Murrell, Hudson Sherwell and Alegrah Field** an amazing time and we know you are going to make so many new friends!

Walk to School Month

Last year we had such a successful walk to school month when the Glenelg Shire ran its program and we were acknowledged for this as being the competition winners. We will be engaging with the program again and we want to encourage as many parents, carers, grandparents, sisters, brothers and community members to be a part of it this year. We will begin next week on October 16th and it will conclude on November 3rd. There is more information in the newsletter, and we hope to see as many community members as we can on Monday.

New School T-shirts

We are getting very excited about having our new Bundarra school t-shirts! Earlier in the year we had to go back to the drawing board as the designs we wanted were not in line with our expected budget. So, we have narrowed it down to three options and now awaiting a new school logo to be finalised on the t-shirts. We have decided to sell these through our office to reduce the costing for families. We will have the t-shirts finalised by the end of this year – watch this space!

Attitude to School Survey

Earlier in the year our grades 4, 5 and 6 students completed our attitude to school survey. We would like to share with you some of our outstanding results.

100% of all year 4 and year 5 students believe that their teachers think they do well at school.

100% of year 6 females believe their teacher helps them to do their best and their teacher gives extra help when they need it.

100% of all year 5 students and year 6 male students believe students pay attention in class and listen to the teacher.

100% of all year 4 and year 6 female students believe their parents think going to school is important – go parents!

100% of year 4 students have friends at school and know what to do or who to tell if they experience racism at school.

Walk to School

Walk, ride or scoot and build
healthy habits for life.

Starting this coming Monday 16th October, Bundarra Primary School will be taking part in the Glenelg Shire 'Walk to School' initiative.

Students, Teachers, Parents and our Wider Community are encouraged to Walk, Ride, Scoot or Skate to school. Upon arrival at school, we welcome you to continue an active start to your day, by completing our walking track. In conjunction with the Glenelg Shire Council, Bundarra Primary School aims to promote healthy, active lifestyles for all, by participating within physical activity every morning for the next 2 weeks.

This year, all participants taking part in our Walk to School program, will gain points for their Grade. Parents and friends taking part will also receive additional points for their child's classroom.

The initiative will finish on Friday 3rd November. We look forward to seeing everyone enjoying themselves, whilst being physically active.

Let's Get Active Bundarra!
